"Anukampa" is a User-friendly software developed and launched by PCCF (Wildlife) & Chief Wildlife Warden, Odisha, State Wildlife Organisation, Department of Forest & Environment, Government of Odisha in association with Technical Partner, Odisha Space Application Centre (ORSAC), Bhubaneswar. The portal is to be used for claiming Compassionate Payment towards Human Kill, Human injury, Cattle Kills, Crop damage or House damage by Wild Animals as per Chapter-VAA, Wildlife (Protection) (Orissa) Rules, 1974.

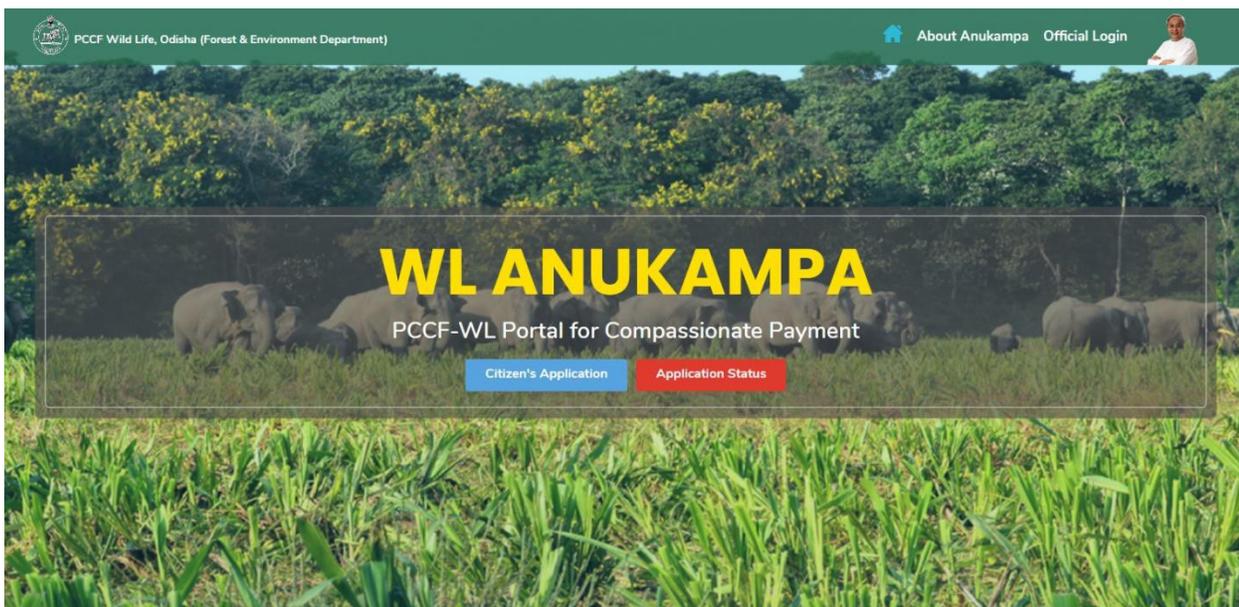

The objective of this initiative is to facilitate compassionate payment in a timebound and hassle-free manner to citizens who are victims of wildlife depredation. The victims can apply online or through mobile app for sanction of compassionate payment. In case of any difficulty, the applicant may contact "Mo Sarkar Cell" in the concerned Range Office for necessary assistance.

The portal can be accessed by <http://www.lanukampa.odisha.in>. The Mobile App can be downloaded from Google Play store & APP store.

Using the "Anukampa" Portal and Mobile App, Citizens/Applicant can fill-up application form on both Android App and Web. Applicant can view application by "search" in Web portal giving auto generated unique token id. After receiving such application, department surveyor will verify the claim within their jurisdiction within stipulated time. Message and mail as a token of acknowledgement will be automatically sent to applicant at his registered mobile number / email.

## 1. Landing Page:

Public user can Apply for compensation and can view applied application Status.

## 1.1 Citizen's Application:

Citizen can visit the respective RO office to apply for compensation. Click on Citizen's Application button, the screen below appeared and user can fill-up data.
